

# FIREBORN™

THE ROLEPLAYING GAME

## PLAYER'S HANDBOOK

Struggle in a modern age of magic and deceit.

Explore a mythic age of epic adventure.

Reclaim lost hoards and awaken mysterious powers.

Uncover the fire within, and become the dragon!

You are a legendary dragon of a lost mythic age, reborn in modern times in human form. You are FIREBORN. Take a bold step into a new world of action, sorcery, intrigue, and memory. This all-new, dynamic roleplaying game system allows you to adventure in a modern age of high action, dark mysteries, and shifting power, while intermittently pulling you back in time to a mythic age where you, playing a dragon, reign supreme. Yet even in the ancient past you are opposed by fate, as sorcerers make pacts with dark beings and threaten the world in their mad schemes for power.

In modern London, magic has returned, and every power is out to control it. The common man is caught in the middle of the epic struggle around him. Luckily for you, you are not a common man. You are a dragon of old, reborn in human form. You and your broodmates are the only ones with the knowledge and power to stop another catastrophe, not unlike the one that spelled the end of the mythic age so long ago . . . but in order to stop the end, you must remember who you were in the beginning.

- The modern age is a world of action, intrigue, and self-discovery, while mythic age flashbacks offer high sorcery and epic fantasy.
- Fluid combat and magic mechanics support cinematic fight scenes and dangerous sorcerous duels.
- Four simple aspects (Fire, Air, Earth, Water) control all tests and actions in the game.
- Character design uses a combination of concrete backgrounds and abstract mythical sires, allowing you to create unique personalities.
- Your character unlocks his draconic heritage as he advances, gaining the ability to manifest draconic form, turn his foes to stone with his gaze, breathe fire, summon the forces of nature, and much more!
